BIRTH OF A LOGO 

### Labor Day Weekend, September 1 and 3

Aged in premium French and American oak. Small-lot fermentations with hand punch-downs and classic small scale winemaking techniques were used to create these wines. We believe these wines will be very young on their release date; they may be enjoyed now, but could be cellared for five or more years.

**2010 Kinkead Ridge Cabernet Sauvignon.** This dark ruby, well structured, complex wine displays classic Cabernet aromas of cassis, plum and black cherry. Enjoy with beef, lamb, or wild game. \$20.99. Alcohol 15.2%. Production: 164 cases.

**2010 Kinkead Ridge Cabernet Franc.** This wine's fragrant aromas of violet and black cherry precede a taste of full-bodied, richly flavored complexity, with raspberry and chocolate overtones. Enjoy with beef, turkey, pork and rich stews. \$19.99. Alcohol 15.3%. Production: 180 cases.

**2010 Kinkead Ridge Syrah.** This intriguing, intense and luxurious wine has excellent balance, smoky notes, deep ruby color and flavors of spice, pepper, plum and blackberry. Enjoy with beef, lamb, braised chicken and wild game. \$19.99. Alcohol 14.8% Production: 91 cases.

**2010 Kinkead Ridge Petit Verdot\*.** Also produced only in 2005 and 2007. This intensely-colored dark purple tannic complex wine displays a fragrant nose with tones of blackberry and leather. Enjoy with beef, lamb, or wild game. \$21.99. Alcohol 15.5%. Production: 63 cases.
